WINEMAKING

MADE WITH OUR OWN GRAPES GROWN IN A RAVINE IN THE ANDEAN FOOTHILLS OF THE CACHAPOAL VALLEY. THE GRAPES ARE HAND-HARVESTED INTO 12-KG BOXES. AFTER A SELECTION OF CLUSTERS, WE GENTLY PRESS THE GRAPES AND THEN LEAVE THE JUICE TO MACERATE BRIEFLY WITH ITS SKINS. THE ALCOHOLIC FERMENTATION TAKES PLACE IN STAINLESS STEEL TANKS AT LOW TEMPERATURES OF BETWEEN 14°C AND 16°C FOR 20 DAYS. MALOLACTIC FERMENTATION DOES NOT OCCUR AND THE WINE IS AGED OVER ITS LEES FOR 6 MONTHS AND THEN BOTTLED. IT IS THEN BOTTLE-AGED FOR AT LEAST 6 MONTHS PRIOR TO BEING RELEASED FOR SALE.

TASTING NOTES

PALE PINK COLOR.

AN ATTRACTIVE, FRESH NOSE THAT UNVEILS AROMAS OF RASPBERRY, WATERMELON, RED APPLES AND ROSES.

IN THE MOUTH IS FOLLOWED BY PRONOUNCED, JUICY ACIDITY WITH NOTES OF FRESH RED AND TROPICAL FRUITS AND A SILKY TEXTURE THAT GIVES A LONG PERSISTENCE IN THE MOUTH.

THE FINISH IS ELEGANT AND TASTY.

THIS IS A VERY VERSATILE WINE THAT WILL PAIR WITH A WIDE RANGE OF FOOD.
